## Child Support Paid Form 2023-2024

Purpose of Form

Generally, the Child Support Paid Form is requested because you reported on the Free Application for Federal Student Aid (FAFSA) or the CSS/PROFILE that a parent in your household paid child support in 2021. This form is used to confirm the amount of child support paid by a parent or stepparent in 2021. For independent students, a parent may be the student or, if married, the student's spouse.

General Instructions

The name of the individual who paid child support in 2021 should be listed on the line at the top of the form. This person will be the "payer" for the purposes of this form and will also be required to sign the form. You should also indicate the relationship of the payer to the student.

On the table, the payer should list the child(ren) for whom he/she paid child support in 2021, as well as the other required information for each child. You should only report actual support paid and not the amount that may have been required. Do not report payments for post-secondary education.

If both parents in the household paid child support in 2021, please complete a separate form for each parent.

**EXAMPLE**

Name of child for whom support was paid	Child's Date of Birth (MM/DD/YYYY)	Amount paid in 2021	Name of person to whom support was paid in 2021	Date support ends
Steven Johnson	06/01/2002	\$2500	Mark Johnson	06/2022
Stephanie Johnson	06/15/2003	\$2500	Mark Johnson	06/2023

Note: If we have reason to believe that the information regarding child support paid is not accurate, we may require additional documentation, such as:

- A copy of the separation agreement or divorce decree that shows the amount of child support to be provided;
- A statement from the individual receiving the child support certifying the amount of child support received; or
- Copies of the child support payment checks or money order receipts.

Forms received without the appropriate signature(s) or with missing information or missing pages are considered incomplete and must be resubmitted. This will delay the evaluation of your financial aid eligibility and the awarding of your financial aid. Should you or a parent submit a form with incorrect information, you must also submit third-party documentation to confirm the correct values. Adjustments to a financial aid award as a result of submitting documentation to correct a Child Support Paid Form are neither guaranteed nor immediate.
